## Aviva Tennis Hotshots

Canberra School of Tennis has always prided itself on the importance of introducing to all players the ability to play tennis as early as possible. From playing tennis comes fun, competitiveness & a true love of the game which hopefully lasts a whole life time, as well as giving genuine feedback to both players & coaches for further improvement within lessons. With this in mind we would like to offer a new program called Tennis Hotshots which is aimed at introducing or furthering juniors playing experience.

Play is done on a modified court scaled to their size, strength & ability, which enhances players tactical & technical development whilst learning competitive formats.

This program has been endorsed by Tennis Australia & there are many benefits to joining up as a Tennis Australia Aviva Hotshots Player (see brochure for more information).

An Aviva Tennis Hotshots program will be starting the week starting 25<sup>th</sup> Feb 2008 on :

Tuesday's & Wednesday's – 5:15pm till 6pm

Cost : is nil for the first session & there after \$8 per session

For more information call Mark Walton on 62413705 or 0408486191 or talk to your head coach.
